TITLE	A Bibliography of Doctoral Research on the Negro. Supplement, 1967-1969.
INSTITUTION	Xerox Univ. Microfilms, Ann Arbor, Mich.
PUB DATE	69
NOTE	31p.
EDRS PRICE	MF-$0.65 HC-$3.29
DESCRIPTORS	Academic Achievement; City Problems; Civil Rights; Community; *Demography; *Doctoral Theses; Family (Sociological Unit); Individual Characteristics; Intelligence; *Negroes; *Religion; School Integration; *Social Environment; Socioeconomic Status

ABSTRACT

This is a supplement to the bibliography compiled by Earle H. West, and published by University Microfilms in 1969. Like the original, it lists dissertations covering every aspect of study relating to the Negro in the United States, and extends coverage of the subject through 1969. Subject areas are: (1) social institutions and conditions; (2) individual characteristics; (3) economic status and problems; (4) education; (5) history; (6) political and civil rights; and, (7) language, literature, and communications. The major source used in compiling this bibliography was "Dissertation Abstracts International," a monthly publication of Xerox University Microfilms; and the retrospective search of this source material was made through the DATRIX computer retrieval program. Introduction

A Bibliography of Doctoral Research on the Negro, 1967-1969 is a supplement to the bibliography compiled by Earle H. West, and published by University Microfilms in 1969. Like the original, it lists dissertations covering every aspect of study relating to the Negro in the United States, and extends coverage of the subject through 1969.

The major source used in compiling this bibliography was Dissertation Abstracts International, a monthly publication of Xerox University Microfilms; and the retrospective search of this source material was made through the DATRIX® computer retrieval program.

Dissertations are listed alphabetically by author. Each entry contains, in addition to the name of the author, the full title of the dissertation, the name of the accepting institution, and the date of publication. Also included is a page and volume reference for Dissertation Abstracts International, and the Xerox University Microfilms order number.

PRICES

The price for each dissertation, produced electrostatically, is $10.00, regardless of length. These are perfect bound, paper covered copies.

If you prefer, books may be ordered bound in cloth, with author and title stamped in gold on the spine, for an additional $2.25 per volume. If "cloth binding" is not specified in your order you will be shipped and billed for the standard 65 pound paper cover.

FORMAT

The pages are electrostatically copied in numerical sequence. Since we print on one side of a continuous sheet, the finished copy will have printing on the right hand pages only.

Charts, graphs, line drawings and similar data reproduce quite well. Upon request, photographic reproductions, at 50 cents each, can be made of pages where halftone and continuous tone enlargements of higher quality are required.

HOW TO ORDER DISSERTATIONS

When ordering from this bibliography, please give the order number, author's last name, complete title of dissertation, type of binding, billing name and address, and shipping name and address.

Individuals must send remittance with orders. By prepaying your order you save shipping and handling charges.

Institutions should order on their standard purchase order form. They will be billed when their order is shipped plus shipping charges and taxes, where they apply.

MICROFILM

35mm positive (black on white) microfilm can also be ordered. The cost of a microfilm copy of any given dissertation is $4.00 regardless of length. If you want a microfilm copy be sure this is specifically noted on your order.

ADDRESSES

Inquiries concerning the dissertation program and orders for dissertation copies should be addressed to Xerox University Microfilms, Box 1764, 300 North Zeeb Road, Ann Arbor, Michigan 48106.

Orders from Canada should be directed to: Xerox University Microfilms, 35 Mobile Drive, Toronto 375, Ontario, Canada.

Orders from Europe and the United Kingdom should be directed to: University Microfilms Limited, St. Johns Road, Tylers Green, Penn, Buckinghamshire, England.
